

2013 - AMENDED REPORT

Support provided to European based Patient Organizations

In May, 2014, *Lilly Portugal, Produtos Farmacêuticos, Lda* discovered that direct and indirect value provided to Portugal-based patient organizations in the period Q3 and Q4 2013 was mistakenly omitted from the original published report, thus the original disclosed data was not complete. The previously omitted data is now reflected in this amended report and replaces the original report.

2013 - AMENDED REPORT

International/Pan European Organisations

Country	Requestor/Recipient Institution or Organization	Program/Project Description	Amount in Euros
Belgium	IDF - International Diabetes Federation, Brussels	Support for "Bringing Research in Diabetes to Global Environments and Systems" (BRIDGES). The BRIDGES grant research program provides the opportunity to 'translate' lessons learned from clinical research to those who can benefit most: people with diabetes. Lessons learned through the supported research projects provide the opportunity to steer, for example, the development of treatment routines and effective behavioural interventions, leading to relevant, evidence-based health care and improved outcomes for people with diabetes. (Financial support)	225.000 €
Belgium	IDF - International Diabetes Federation, Brussels	Corporate Membership - The mission of the International Diabetes Federation is to promote diabetes care, prevention and a cure worldwide. (Financial support)	110.000 €
Belgium	European Alliance for Personalised Medicines	Support for the 2013 meeting "Innovation and Patient Access on Personalised Medicine" (Financial support)	15.000 €
Belgium	IDF - International Diabetes Federation, Brussels	IDF Young Leaders Programme - Lilly Diabetes will support and be seen to support a strategic initiative of IDF focused on young people with diabetes worldwide. Lilly Diabetes will have unique opportunities to cooperate with IDF member associations at the local level in the context of the Young Leaders Programme. (Financial support)	42.000 €
Belgium	IDF ER-International Diabetes Federation European Region	IDF-Europe Youth Camp: The camp is the opportunity for our young leaders to find out about the differences in care and daily-life realities across Europe, share their strategies on how to cope with diabetes and learn from their day-to-day triumphs and challenges. In addition, past camps have shown that the group is able to build a strong and active pan-European network of young advocates for diabetes that we hope will expand over the years. (Financial support)	20.000 €
Belgium	IDF ER-International Diabetes Federation European Region	Support for the International Diabetes Federation Europe Prize in Diabetes which will be donated to a diabetes charity of the winner's choice. International Diabetes Federation provides diabetes information for patients, researchers, and clinicians regarding the disease and its complications. (Financial support)	10.000 €
